MHSA Coordination Team

During the 4th quarter of FY 2022-2023, KernBHR and MHSA continued to experience personnel changes.

- One of our lead-senior staff members, Amber Lobos, Program Specialist II promoted to a different position with another county agency.
- We have 3 new staff members who started last quarter. They will continue to become acclimated to their new roles in the upcoming fiscal year.

As of the end of the quarter, we have a total of 4 vacancies; 2 Grant Writing Team members (Admin. Coordinator Extra Help & 1 PS Extra Help) and 2 MHSA Coordination/Program Specialist – Permanent.

Stakeholder Education & Community Forums

During the 4th Quarter of FY 2022-2023, Kern County continued to transition into the “End of the Pandemic” phase, as we continue to shift out of the Covid-19 Pandemic. As we adjust to this new phase, the MHSA Coordination team held 1 In-Person Community Forum.

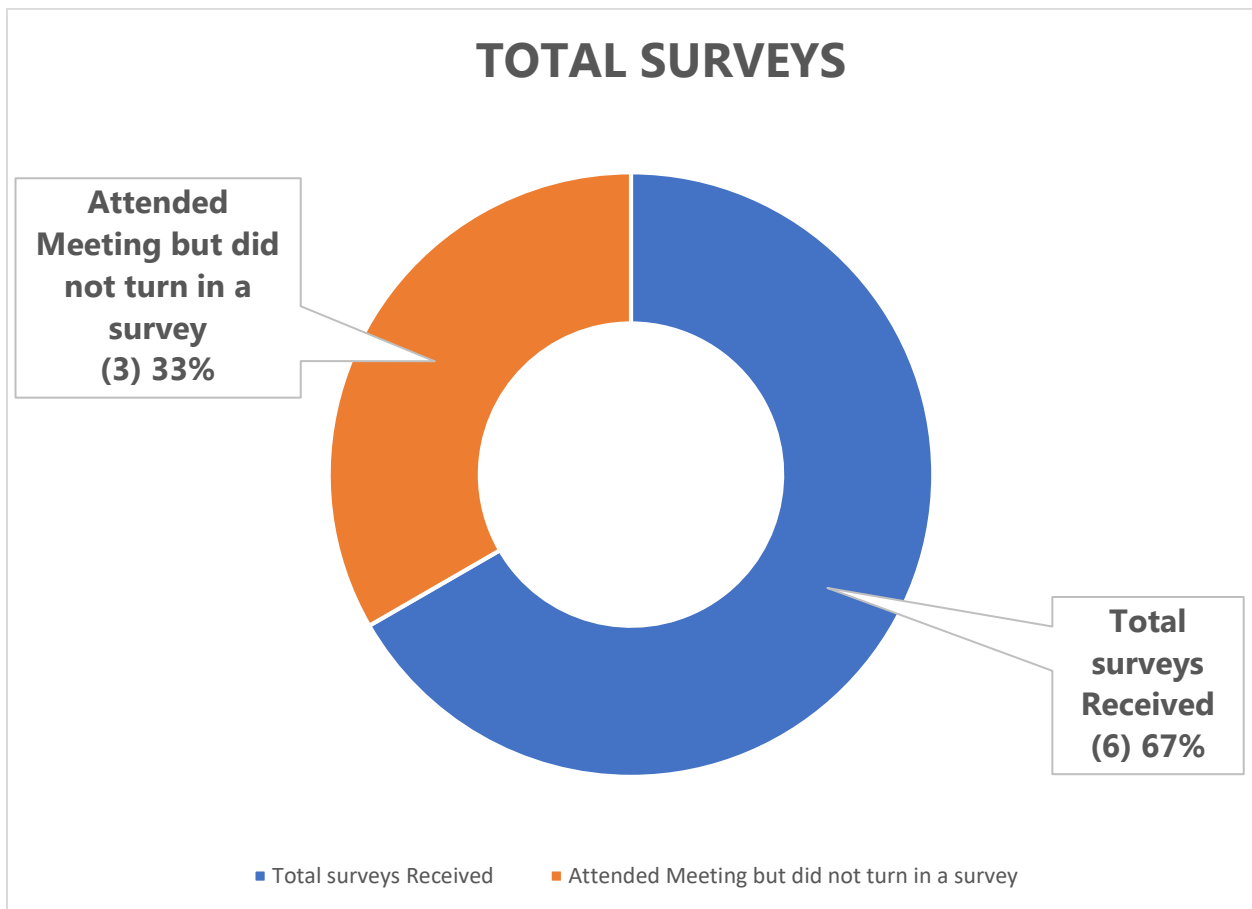

As our NEW Program Specialists become acclimated to their new jobs, we will be able to continue expanding the locations where community forums take place and the number of community forums we perform per quarter.
